

**PERS Plan 3 Retirement Option Form**  
**PERS Plan 3 Member Changing Employers**

I, \_\_\_\_\_, understand the following:

That I am a PERS Plan 3 member employed in a PERS eligible position, and I have up to 90 calendar days to select my contribution rate option and investment program. I need to complete the Member Information Form (MIF) [sections 1, 3 and 4] and submit it to my employer.

- If I do not select a contribution rate, I will be defaulted to contribution rate option A (5 percent). I will be unable to change this rate until I change employers.
- If I do not select an investment program, I will be defaulted to the WSIB Investment Program. I can change my investment program by completing the Plan 3 Change of Investment Program form, and submitting it to my employer as a means of implementing the change.

My date of hire is \_\_\_\_\_ and my 90 days expires on \_\_\_\_\_.

**To learn more about PERS Plan 3 and investment options, I can visit the Web portal at <http://www.drs.wa.gov/member/pers/2or3/index.htm>.**
